Eight Sisters Honored for Their Jubilees

On Saturday, July 10, hundreds of sisters, relatives and friends gathered to celebrate the jubilees of religious profession for eight Sisters of Notre Dame. The liturgy was held at St. Julie Billiart Church in Newbury Park, with a festive reception following at Notre Dame Center.

The main celebrant for the liturgy was Most Rev. Thomas Curry, bishop of the Santa Barbara Region, with Rev. Larry Dowdel, pastor of St. Louise de Marillac, as homilist. Other celebrants included Rev. Jim Bevacqua, Rev. Jerome Bouska, Msgr. Michael Bunny, Rev. Robert Delis, Msgr. John Hughes, Rev. Michael Jennett, Rev. Perry Leiker, Rev. Ted Ley, Rev. Charlie Miller, Msgr. Richard Murray and Rev. Gayle Sullivan, with Deacons Walter Hanson, Louis Henschel, and Tom Sabol assisting. Dr. Bruce Colell, a long-time SND friend, conducted the choir.

Jubilarian of Joy (75 years)

Sr. Mary Joan Sutter's ministry during her years of retirement has been to priests and seminarians. For many years, she coordinated the schedule of priests from various parishes and St. John's Seminary who would celebrate the Eucharist at Notre Dame Center each day. Devoting many hours to prayer, she also maintains a

lively correspondence and delights in visiting her many relatives, friends or students by telephone or in person.

...Maria and Lola Enriquez

Faithful Friends and More!

In the book of Proverbs, we read “Who has found a faithful friend has found a treasure...”

Maria Enriquez and her daughter, Dolores, (better known as Lola) have been long-time residents in the Watts community and dedicated members of St. Lawrence of Brindisi Parish. Over the years Lola and Maria have been faithful friends to many at St. Lawrence—the Capuchin Franciscans, the Sisters of Notre Dame, the parish and school staffs, and fellow parishioners.

Currently Lola is working at St. Lawrence as the assistant Director of Religious Education and Confirmation Coordinator and Maria is “Volunteer Extraordinaire.”

Maria was born in Fullerton, California, but was raised in Mexico since her family moved to Jalisco when she was a toddler. She returned to California in 1957 and married Marcial Enriquez in 1961. They were blessed with five children and for most of their married life, they lived on 103rd Place, just a few short blocks from St. Lawrence. On Lola’s 12th birthday, her father died after a long struggle with lung disease. Maria was left to raise the children alone as a single mother. Lola was the oldest and all but her youngest three-year-old sibling attended St. Lawrence School.

Maria soon found that she was not alone, however, because Fr. Jim Cleary, pastor and Fr. Peter Banks, associate pastor, and the sisters in the school, Sr. M. Francelle Schlund, Sr. M. Rosita Verderber and Sr. M. Paulynne Tubick were all tremendous supports to the family at this difficult time. Lola continued her education at St Matthias High School and has fond memories of her years there with Sr. M. Louise Wanamaker as the SMHS principal.

After high school, Lola worked as a dental assistant for four years, but at age 24 her kidneys failed and she needed dialysis. Again the family faced difficult times, but the Enriquez are survivors and a year later, Lola received a kidney transplant. In 1991 and in 1999 Lola had additional kidney transplant surgeries.

Maria and Lola Enriquez share memories of amusing times with Sr. M. Judeen Julier

Lola and Maria have continued to take an active role in parish life, having been involved in the religious education program at St. Lawrence since the late 1970’s. Maria can teach any grade level and she is always ready to welcome more students into her classes rather than turn them away for lack of a teacher. In 1990 Lola became the program director. What a tremendous asset she is on the staff!

The faith and dedication of these two women is outstanding and they are an inspiration to the entire parish. Nothing seems to stop them from service to the church. They are the epitome of thoughtfulness, compassion, friendliness, and responsibility. At every St. Lawrence fundraiser, Lola and Maria are usually the first to arrive and the last to leave. Whether it is running bingo, feeding the poor, organizing the swap meet, or assisting with tardeadas and guadalupanos, they are there. And of course, every parish needs those trustworthy parishioners who count the Sunday collection and do the banking. Again, they are there !

Although Lola’s brothers and sister have married and moved to surrounding cities with their families, they still consider St. Lawrence to be their parish. Maria and Lola continue to live in the family home. They are wonderful nearby neighbors to everyone at St. Lawrence and perfect examples of faith in action--even in the midst of medical challenges. Maria and Lola, the Sisters of Notre Dame are proud to call you friends, and we thank you for being an inspiration to all who know you!

Jubilarians Celebrate Years of Consecration

Dame Center that the very young cannot keep up with her. Her intercessions at prayer come from the heart of a contemplative, and she maintains a telephone ministry to those in need.

With Notre Dame apparently in her genes, ***Sr. M. Anita Hornack*** is the sister of Sr. M. Florette Hornack of the Cleveland province (a Jubilarian of Joy this summer) and the aunt of Sr. Florette Marie Adams of the California province. Sr. M. Anita has many years of educational experience to cherish and in turn, her many former students appreciate her continued spiritual and social support.

An avid reader of the morning newspaper, ***Sr. M. Annrita Martin*** gives quick summaries of the news and carries many current events into her prayer. Ever-the-educator, Sr. Annrita still enjoys tutoring and assisting new teachers, sharing from the wealth of her educational background. Sr. Annrita also is a faithful correspondent with relatives and friends.

Sr. M. Patrick Sullivan has a keen interest in the spiritual health and physical welfare of others, combining her previous ministries as an educator and hospital pastoral minister. Her loyalty as a friend and spiritual mentor is deeply appreciated by her former students and collaborators.

Diamond Jubilarian (60 years)

Continuing her ministry as an educator, ***Sr. M. Clara Roling*** is active as a tutor, sharing not only skills, but much-needed encouragement and self-esteem. Sr. M. Clara's ability and willingness to listen attentively engenders trust and respect from all who know her.

Silver Jubilarians (25 years)

A born-teacher with a personal commitment to education, ***Sr. Louise Marie Hlavac*** lights up as she enters a classroom. Having spent time teaching in a public school setting and at Notre Dame Academy Elementary, Sr. Louise Marie will be a faculty member at St. Lawrence of Brindisi School in Watts this fall. And her skills as a flutist truly enrich many community, parish and school liturgies.

Sr. Jan Marie Villalobos has the incredible gifts of enthusiasm and concern for those in need. In addition to her responsibilities as Director of Special Programs at Notre Dame Academy Elementary in West Los Angeles, she assists with Habitat for Humanity projects and she is the volunteer site service coordinator for School on Wheels.

The Sisters of Notre Dame offer their prayers and sympathy to:

- Sr. Margaret Mary Scott and her family on the loss of her father, Mr. Jack Scott.

Dear Friends,

Only a few of us have memories of 80 years ago. But for 11 Sisters of Notre Dame, though, their lives were going to change radically as they pioneered Notre Dame life and ministry in southern California in August, 1924. Even more profoundly, the lives and hearts of *thousands* of individuals have been touched by the sisters who came from Cleveland to Los Angeles and through the legacy which they handed on to us. The gifts they have given us--of spirit, mind and body--are ours now to share with future generations. The SND spirit which came from Cleveland to Los Angeles has now reached into the four corners of the globe, especially with our missionary endeavors in Africa.

Although only a few of us knew the pioneer sisters, many of us can identify firsthand the results of their personal sacrifice and dedication. The following memories were written by several of our deceased sisters who knew the pioneers well; I hope that in these words, you will see Notre Dame's tradition and gifts to our world reflected in your personal experience of Notre Dame **today**.

Sr. M. Benigna Esparza, the first SND from St. Lawrence of Brindisi Parish in Watts, remembered:

"I was impressed by their courage--to leave their relatives and friends to teach in our poor school. It did not take long for them to become 'our sisters,' having quickly taken over not only the school but also our hearts. It was their genuine spirit of simplicity that attracted me. I wanted to be just like them, so that I, too, could teach little children and bring God's love into their hearts. I saw how they proclaimed God's goodness to each child and parent without any prejudice or racism. We all belonged to one happy family..."

Sr. M. Louise Wanamaker, the first SND from St. Matthias Parish, wrote:

"The pioneer sisters' arrival at St. Matthias had an impact on my life that has never lost its intensity. I remember their standing on an outdoor stage before eager parishioners as they were introduced: quiet, embarrassed, but still smiling.... [I soon learned] that their spirit of joy was outstanding. I only experienced the utmost kindness when I was with them. They enjoyed a joke, a ride to the mountains or the beach, a picnic in their backyard...and at the same time, they ran a well-disciplined school of happy students. The sisters' love of Christ and Our Lady was evident...."

Sr. M. Janette Dresman remembered:

"When I met [the sisters], I certainly liked what I saw. They were friendly, selfless, happy and very caring. [In addition to their teaching assignments in the school] they had much work and many activities: large classes, altar boys, care of the church and sacristy, and classes in religion for public school students. Daily they proclaimed God's goodness by their friendliness, openness, willing-

...what you have received as gift, give as gift..."

ness to serve, and their efforts to promote devotion to God. Our pioneer sisters were truly remarkable women!"

The world of 2004 is incredibly different than the world of 1924. Worldwide communication can be instant. Many diseases have been eliminated, while new ones appear. The boundaries of countries have changed and the moon and the planets are the new horizons for discovery. Mass is now celebrated in the language of the local congregation. Although it may seem like change is the only constant in life, it is our desire to uphold and transmit the most cherished, unchangeable values of our faith--as given to us in the Gospels.

In this world of new and diverse realities, then, the Sisters of Notre Dame of the California province have embraced this mission:

Rooted in Jesus, gathered into a life-giving community, committed to simplicity of life,
we are missioned as Sisters of Notre Dame to bring hope within a diverse society.

And so with minds grateful for our heritage, with hearts on fire for the future, and with spirits pursuing all that is divine, we must thank you, our faithful partners. Your prayer, your volunteer service, your loving encouragement, and financial resources--all of these are gifts to us. Every contribution made to the Sisters of Notre Dame represents a gift made from the heart of God--through your heart--into hearts in need. Thank you!

Like the SNDs of Cleveland who ventured forth to southern California 80 years ago, we know that God's providence will continue to guide and support our ministries to every searching heart --from preschool children to senior citizens, from California to Africa. What we have received as gift, we give as gift, especially the gift of hope. May you, in turn, receive God's abundant gifts and graces each day.

In Notre Dame,
Sr. M. Lisa Megaffin, S.N.D.
Director of Development

Uganda Update

Sr. M. Bernadette Pendola left Los Angeles on July 3 to begin her missionary service, nursing and teaching at St. Julie's in Buseesa, Uganda. Wishing her well are Sr. M. Francelia Klingshirn (left) and Sr. M. Anita Hornack (right).

Sr. M. Kristin Battles recently announced that the SNDs will begin preparations for a lay volunteer program at the mission. A number of individuals have asked for this opportunity since the mission was founded in 1995. Sr. M. Paulynne Tubick will return to the United States this December and will begin an extensive process of planning the many different facets of the program; when the volunteer program opens, Sr. Paulynne will also be the on-site coordinator. In addition, housing for the volunteers needs to be built since the current facilities at the convent and teacher residence are at maximum occupancy. As information is finalized on this exciting venture, it will be available in Vision and Challenge and at <www.sndca.org>.

Please join us at Notre Dame Center for Taize Prayer
First Sunday of the month • 7:30 - 8:30 p.m.

The names of those enrolled in the "Gift of Prayer" program during the previous month will be read at the beginning of the service. For further information, call 805-917-3714.

Notre Dame Learning Center Campaign Progress Report

Plans for Notre Dame Learning Center, a preschool and day care to be opened at Notre Dame Center in Thousand Oaks, continue to make progress! Landscape architects, electrical engineers and other construction specialists work with Lauterbach and Associates of Oxnard. In addition, specifications needed to meet licensing requirements by the State of California are also being incorporated into the planning. Here are answers to frequently asked questions about NDLC.

Is there a waiting list?

Currently, there is no formal waiting list. When registration information is finalized, it will be available on-line at <www.sndca.org>.

When will the preschool and day care open?

The goal is to open NDLC in 2005. Fundraising needs to be complete for the \$580,000 required for building remodeling, major parking lot expansion as required by the City of Thousand Oaks and basic furnishings. Construction will take approximately 3 months according to Carl Wesely of Wesely-Thomas Enterprises.

A goal of October 15, 2004 has been established for receiving funds for NDLC or pledges for funds to be donated by December 31, 2004. A regularly-updated Progress Report on funds received/pledged to date is available at <www.sndca.org/current>.

What about funding for the capital campaign?

The Sisters of Notre Dame are financially independent; consequently, new ventures such as Notre Dame Learning Center are funded through donations from individuals, organizations, parish and school groups, corporations and foundations, as well as from resources saved through the simple, economical lifestyle of the sisters.

There are several specific gift opportunities available for donors who choose to designate their gift to a particular area of the project. These donations are an outstanding way to memorialize a deceased loved one or to honor someone special. As desired by these donors, appropriate recognition will be given in the respective area and/or on the Founders' Recognition Wall. In some cases, donation amounts do not reflect the actual cost of construction or acquisition.

The Sisters of Notre Dame are deeply grateful to the many individuals, groups and foundations who have generously offered support for this new venture. May God bless you with every good gift! For further information, contact Sr. M. Lisa Megaffin at 805-917-3714 or at megaffin@earthlink.net.

In particular, the Sisters of Notre Dame wish to acknowledge these major donors who are alumni of SND schools. Their support demonstrates their commitment to hand-on the blessings of an SND education to the youngest generation of the 21st century!

Seven Join Associates of Notre Dame

On Sunday, June 27, seven new associates of Notre Dame made their commitment to live SND spirituality. After studying the SND history, mission and spirit during the year of formation, each Associate now begins a new journey, with a promise to “witness to God’s goodness and provident care in prayer, in my family, in my workplace, in my parish and in this community.” As associates they will have the opportunity to participate in retreats and other types of spiritual formation with the sisters, as well as social and ministry activities. The new associates are pictured here, together with their sister-sponsors.

Lucy A. Shiffrin, a parishioner from St. Paul the Apostle in Westwood, is currently a teacher and the vice-principal at St. Helen’s School in South Gate. A 1962 graduate of Notre Dame Academy High School, Lucy is “touched by the sisters’ kindness and dedication to everyone they meet, especially children and parents.”

Joan Dodge was inspired to become an Associate by dear friends who are also Associates--Dorothy Conlan, Nancy and Tom Grasmehr, and Nora Howells--as well as by Val Roxburgh, currently an SND postulant. Retired from Los Angeles Unified School District, Joan continues her ministry as an educator as a substitute; she is also active with the Theresians and other ministries at St. Paschal Baylon Parish, Thousand Oaks.

As parishioners of Sacred Heart Church in Saticoy, **Pickens and Ron Halt** have come to know the SNDs through Sr. M. Joyanne Sullivan. Ron, who is retired from the Ven-

tura Unified School District, finds grace in the “love and visible joy and enthusiasm of the Associates.” Pickens is a retired marriage and family therapist who worked at St. John’s Medical Center in Oxnard. She has been involved with the SNDs through Sacred Heart School and various parish programs.

Her volunteer work with children over the last 15 years and her friendship with Sr. M. Francelia Klingshern brought **Joan Roberts** into the Associate program. Joan is a member of Padre Serra Parish in Camarillo and is self-employed in bookkeeping and tax preparation. She ministers at the California Youth Authority, helping teen-agers who are about to be released into the community develop life skills and job training.

Cecilia “Cege” McGrath is a member of Our Lady of the Assumption Parish in Ventura. An educator with Ventura Unified School District, Cege prepares children for First Communion at Assumption and serves as a Eucharistic minister to the sick.

A 1999 graduate of La Reina High School, **Simone Rizkallah** is also an alumna of California Lutheran University. Simone has been awarded a scholarship to the Witherspoon Fellowship for the Family Research Council in Washington, D.C. for the fall. Simone commented, “I have known the sisters since first grade at St. Rose of Lima School in Simi Valley, with Sr. Doris Marie McDonald as my principal....I was attracted to join the Associates because I want to deepen my own faith and spirituality. The charism of the sisters is something I resonate with, and after all my involvement with the sisters, it just seemed like the natural thing to do.”

Remembering...

Sr. Theresa Marie Glavic

...who was a woman with an unbelievable interest in life, in connecting with others and being active with community. Until recently, a sign-up sheet did not go up on the provincial house bulletin board that Sister did not join the group for the outing or activity. Sister was what many would call a "joiner." However, she was much more than that--she was absolutely a big contributor.

In the years that Sister Theresa Marie lived at the provincial house we witnessed the hundreds of teddy bears she made as part of the Busy Bees at the Goebel Senior Center. For a period of time Sister served with Sr. M. Lynn Liederbach in Detention Ministry and joined her for Bible Study Group with neighbors here on Hendrix Avenue. She also received much joy attending the "Lunch Bunch" in Simi Valley for persons like herself suffering from Parkinson's Disease.

A gifted artist, Sr. Theresa Marie shared this skill very generously throughout her life. For years she gave workshops to sisters and lay teachers so they would be successful classroom art teachers. And her beautiful hand-made greeting cards were always a popular item at fund raising events over the years.

Sr. Theresa Marie was a loyal and loving friend. Since childhood one of her dearest friends was Lucille Ganz who now lives in Woodland Hills. From time to time they have visited over the years, and Sister was honored to be a guest at the family's Seder during Passover. Sr. Theresa Marie kept in contact with families from her years at St. Rose of Lima, Maywood, and had a special friend in Olivia Zofolghari, a student from La Reina High School who visited her regularly in the infirmary.

These glimpses from the past tell us a little about Sr. Theresa Marie as the person we knew and loved. Theresa Rose Glavic was the eighth of nine children, born to John and Frances Glavic who were natives of Yugoslavia. Her family moved often during her childhood but always within Ohio. A significant amount of their time was spent on farms, with part of her education in a one-room schoolhouse.

In Wellington, Ohio Sr. Theresa Marie met several SNDs who taught catechism lessons in her parish. As a freshman she met Sr. M. Frumenza who encouraged her to become an aspirant at Notre Dame Academy. During the summers of her high school years, she held jobs doing light housework, caring for children and working as a waitress in a restaurant.

On February 2, 1937 Sr. Theresa Marie entered the convent. She earned a bachelor's degree from St. John's College in Cleveland and

a master's from Mt. St. Mary's in Los Angeles. As an SND, she spent 41 years in the classroom teaching grades 5 through 8 in Ohio and California. For many years, Sr. Theresa Marie directed our province efforts in raising funds for our foreign missions.

Sr. Theresa Marie looked forward to her 70th jubilee this summer. In gratitude for her life and presence among us we release her to the joys of celebrating an eternal Jubilee in heaven.

Associates' Notebook

Sr. M. Regina Robbins recently concluded her service as Director of the Associates. Between 1999 and 2004, Sr. Regina researched and instituted the various facets of the program. In the photo above, Sr. M. Amy Hauck, the new Associate Director, thanks Sr. Regina for her service in pioneering this new venture and presents her with a gift from all of the sisters and associates.

New members on the Associate Core Team include Sr. Cristina Marie Buczkowski and Annabelle Gordon. Both of them were members of the pioneer Associate class in 2000 and are enthusiastically helping to plan ongoing activities. Inquiry meetings for those interested in joining the SND Associates this year will be held

- Friday, August 20 at Notre Dame Academy in Los Angeles at 7:00 p.m.
- Sunday, August 22 at Notre Dame Center in Thousand Oaks at 4:00 p.m.
